A Happy Mother

Prollicking with her baby makes one of
the prettiest spectacles ever seen in the
home. But nothing is sadder to see than
the unhappy mother, weak and nervous,
striving in vain to hush the cries of her
weak and nervous babe. There can be

no happiness for
either mother or
child without
health. Doctor
Pierce's Favorite
Prescription "has
done wonders" for
many a woman,
by restoring her
health and open-
ing for her the way
to happy mother-
hood. This really
wonderful medi-
cine is not a cure-
all. It is a prepara-
tion specially de-
signed to cure dis-
eases peculiar to
women. It dries
debilitating drains,
heals inflammation
and ulceration,
cures female weak-
ness, and removes
the causes which
generally make
women nervous
and sleepless.

There is no alco-
hol in "Favorite
Prescription" and
it contains no opium, cocaine or other
narcotic.

Mrs. James W. Blacker, of 639 Cath-
arine Street, Syracuse, N. Y., writes: "Your
medicines have done wonders for me. For
years my health was very poor; I had four
miscarriages, but since taking Dr. Pierce's Fa-
vorite Prescription and 'Golden Medical Dis-
covery,' I have much better health, and now I
have a fine healthy baby."

Use Dr. Pierce's Pleasant Pellets with
"Favorite Prescription" if the bowels
are inactive or irregular.
